Loan/Account Servicing Agreement

This ACCOUNT SERVICING AGREEMENT (the “Agreement”) dated effective as of _____ (the “Effective Date”) is made and entered into by and between _____ (“Client”) and CENTRIC FINANCIAL GROUP, LLC, D/B/A PROVIDENT LOAN SERVICING, a Texas limited liability company (the “Servicer”).

RECITALS

WHEREAS, the Client owns certain debt instruments (the “Mortgage Loans”) which may or may not be secured by real property (the “Assets”);

WHEREAS, the Client desires to engage Servicer as an independent contractor to perform servicing functions with respect to the Assets, as designated by Client and as further described herein, and Servicer desires to accept such engagement;

WHEREAS, Client and Servicer desire to set forth the terms and conditions on which Servicer will service the Assets.

NOW, THEREFORE, in consideration of the foregoing recitals, the mutual promises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Client hereby authorizes and instructs Servicer, and Servicer agrees, to service the Assets in accordance with the following terms and conditions:

ARTICLE I – Services

1. The Servicer, as an independent contract servicer, shall service and administer Mortgage Loans and REO Properties according to this Agreement and Accepted Servicing Practices, considering the Client's reliance on the Servicer. The Servicer has full authority to perform necessary or desirable servicing actions consistent with this Agreement and Accepted Servicing Practices. These practices are defined as procedures used by prudent mortgage servicers for similar loans in relevant jurisdictions, including prudent servicing, collection, loan administration, resolution, and disposition procedures. The Servicer must follow all Applicable Requirements and maintain a standard of care no lower than used for its own accounts or others', including those with beneficial/ownership interests in the Servicer. The Client shall provide limited powers-of-attorney enabling the Servicer to execute servicing documentation on the Client's behalf or execute and return such documents if requested. Client engages Servicer to employ commercially reasonable and prudent practices to service loans under Applicable Requirements, including collecting scheduled payments and enforcing Lenders' rights. Client must provide all necessary Loan Documents before Servicer performs any servicing functions or distributes funds. Client must immediately notify Servicer of any changes affecting servicing functions and provide relevant documentation. Servicer shall follow Client's instructions, with Client warranting they have exclusive authority to direct Services.

2. If the Mortgage Loan is owned by multiple Lenders (a “Multi-Lender Loan”), Servicer shall only follow instructions from Client. A default upon any interest in the Note shall constitute a default upon all interests. Client may determine and direct the actions to be taken on behalf of all Lenders in the event of default or with respect to other matters requiring the direction or approval of Lenders, including but not limited to, designation of brokers, servicing agents or others acting on their behalf and the sale, encumbrance or lease of any real or personal properties which may be owned by Lenders as the result of foreclosure or receipt of a deed in lieu of foreclosure, or modification or forbearance of the Mortgage Loans. Applicable Requirements supersede Client's instructions

when conflicting. Servicer may terminate the Agreement and cease services if Client's actions negatively affect loan enforceability or if Client fails to provide requested information timely.

3. In accordance with Applicable Requirements, Servicer shall:

- a. Demand, receive, and collect all Mortgage Loan payments;
- b. Provide billing statements or payment coupons;
- c. Manage principal and interest ("P&I") accounts, Impound Accounts, and related deposit accounts, hold any related custodial deposit accounts associated with receipt, disbursement and accumulation of principal, interest, taxes, hazard insurance, mortgage insurance, etc. as "Trustee" for Client. Any benefit or value derived from the deposits of P&I balances shall accrue to the exclusive benefit of Servicer. Any benefit or value derived from the deposits of impound balances shall accrue to the exclusive benefit of the mortgagor;
- d. Deposit in the Trust Account any amount which the Servicer receives in connection with the Mortgage Loans; net of the Servicing Fees, unreimbursed advances, and any other amounts required to be held in the Impound Accounts, no later than two (2) Business Days after receipt of funds.

4. Unless otherwise instructed by the Documents Deposited or required by applicable law, payments will be applied in the following order: (i) Interest; (ii) Principal; (iii) Impound (if applicable); (iv) Servicing Fees; (v) Late Fees. Payments will be applied suspense/reserve if amount received is less than the scheduled payment amount. Interest shall be calculated from due date to due date using actual number of days, 365-day year unless there are prevailing regional standards or Servicer is otherwise instructed. Any computation, application of principal and interest, or other payment shall be deemed correct, unless the party affected notifies Servicer that such computation or application is not correct within 60 days after notice of the computation or application is sent. Failure to receive statement or coupons does NOT excuse Borrower from making timely payments. If a discrepancy or difference exists between the billing statement/coupon and the Documents Deposited, the terms of the Documents Deposited prevail. Servicer will notify Borrower of each payment received unless the parties have made other arrangements. Late notice fees apply only according to the terms outlined in the note. If Documents Deposited permit, Servicer may track and assess late charges but has no obligation to notify Client or Borrower of delinquencies, defaults, or late charges beyond the notice. If required by applicable laws, Servicer will send its Notification of Late Payment. Payments will not be processed on Saturdays, Sundays, and posted Servicer holidays. Servicer shall not be responsible for delays due to Acts of God or other causes outside the control of Servicer. Accounts with more than one Client shall select one Client to remit payments to and receive all related mailings and notices.

5. Servicer will distribute payments as instructed in writing by Client/agent, may delay distributions until payments clear per Payment Policy, and may hold distributions in non-interest-bearing trust account without liability if lacking valid Client address. Servicer requires sufficient documentation and full payment of related costs before recognizing changes in beneficial interest, property ownership, or Documents Deposited modifications. Without written notification, Servicer has no responsibility for such changes. Servicer may hold payments in non-interest-bearing trust account without liability after notice of Client death or pending assignment, releasing funds only when documentation sufficiently establishes rightful ownership, at Servicer's discretion. Permitted Trust Account withdrawals by Servicer include: remittances to Client including advance returns; payment for unreimbursed Servicing Advances, fees, and expenses before prior servicer balances; payment for unreimbursed Servicing Fees; post-liquidation payment of accrued Servicing Fees and Advances; Servicing Fees upon payment receipt for Performing Loans or scheduled Due Date for non-performing loans; Ancillary Income; reimbursement for Non-recoverable Advances or Expenses; removal of erroneously deposited funds or returned payments; and account termination upon Agreement end.

6. All remittance and cut-off reports are to be completed on a weekly basis. Payments received from Monday to Friday will be processed and sent the following week, to be received by Friday of that week, bank holidays notwithstanding. Client authorizes Servicer to deposit all funds received in connection with this Agreement into an analyzed trust account at an FDIC insured bank. Any unused credits not used to offset bank service charges will not benefit Client in any manner.

7. Client acknowledges and agrees that upon Client's authorization of servicing transfers by and between Servicer and another servicing provider, such transfer process will be managed exclusively by Servicer and the other servicing provider, without the need for further authorization(s) by Client. Client further acknowledges and agrees that certain Notes will become inadequately secured by collateral or be submitted to Servicer for servicing without being secured by any, or adequate, collateral. Client shall indemnify and hold harmless Servicer from any resulting inability to enforce or collect such Notes. Servicer shall be responsible for further safeguarding each Client's interest in the Mortgaged Premises and rights under the Mortgage Loan as elected by the Client. Only the Client may request Services and execute Transaction Addendums under this Agreement. Affiliates of Client must execute a separate servicing agreement for Servicer to provide Services to such Affiliate of Client. Servicer will report to and receive technical direction only from such Client employees or officers as may be listed in the applicable Transaction Addendum or as may be designated from time to time by Client or the applicable Affiliate.

ARTICLE II – Representations and Warranties of Client

1. Client shall provide (or have former servicers provide) at Client's cost: copies of all necessary Loan Documents before Transfer Date for servicing under Applicable Requirements, with Servicer not responsible for original documents unless specifically requested; all required state/jurisdictional licenses; documentation enabling Servicer's system conversion and auditing without special programming, delivered before reporting deadlines; if applicable, complete listing of Mortgage Loans with insurance components; written evidence of active Hazard Insurance policies with time for Servicer notification, with Client indemnifying Servicer against coverage lapses; transfer of existing tax service contracts and flood zone determinations. Servicer is not responsible for penalties on pre-existing tax delinquencies within 30 days of Mortgage File delivery. Servicer may terminate Agreement and cease servicing if Client fails to provide required documentation timely. During the Term of this Agreement, including any extensions hereof, Servicer agrees to comply with Applicable Requirements relating to the servicing of the Mortgage Loans that are the responsibility of Client.

2. If Client fails to pay due sums to Servicer, if secured parties demand Servicer payments, or if Client defaults otherwise, Servicer may set off damages against sums due to Client including monthly remittances, and exercise all legal remedies for contract breach, including action against Client's signatory. The signatory agrees to be individually and personally bound by liabilities under Article 2.2.

Date:

3. Except for legally required advances, Servicer is not required to advance its own funds for Services. Client must reimburse Servicer's advances within seven Business Days of request; Servicer needs Client approval for discretionary advances over \$2,500. If Client fails to reimburse such advances within seven Business Days, Client shall be responsible for a \$25 monthly late fee plus 18% annual interest on unpaid amounts.

4. Client is responsible for establishing and maintaining document custodian arrangements for Mortgage Loans. Upon Servicer's request, Client will identify custodians and direct their cooperation with Servicer's reasonable requests, particularly for processing paid-in-full loan releases. Servicer's custodial services are available via separate

custodial addendum. Client agrees Servicer shall not be liable for losses related to Mortgage Loans serviced hereunder, including default or foreclosure losses. If Client's loss results from Servicer's default under this Agreement, Servicer's liability is limited to Servicing Fees paid for the specific Mortgage Loan involved.

5. Client represents and warrants to Servicer, as of this date and each Transfer Date: Client is duly formed, validly existing, with power and authority to perform this Agreement; execution and performance are duly authorized by corporate action; this Agreement's execution and performance violate no organizational documents, material contracts, or Applicable Requirements; Client has complied with all applicable laws where violation could materially affect Mortgage Loans or Client operations/finances; and Client either owns the Mortgage Loans (which are valid, existing, and enforceable), holds their servicing rights lawfully, or is authorized in writing to act for the owners, in all cases free of known fraud or wrongdoing.

6. Servicer shall not influence Client decisions where Servicer has adverse financial interests. Client acknowledges and waives potential conflicts arising from Servicer's and its affiliates' ownership and servicing of debt instruments secured by real property, including servicing loans owned by Servicer's members, affiliates, or those with financial interests in Servicer.

ARTICLE III – Term and Termination

1. This Agreement begins on date first set forth and continues until loans are paid in full, servicing is transferred, or 30 days after written/email termination notice from either party. For individual Mortgage Loans, Agreement terminates upon: loan payment in full and Security Instrument reconveyance; 30 days' Servicer notice to Client (except for immediate termination cases); or 30 days' Client notice to Servicer (unless shorter period permitted). Rights and authority continue with Client's written authorization for Servicer to manage property management and liquidation after foreclosure. If no payment is received for over 150 days after due date, Servicer may consider the account abandoned and terminate responsibilities after 30 days' written notice to parties' last known addresses, provided no party objects. Upon full Agreement termination or individual Mortgage Loan termination, Servicer shall deliver Client's funds (or terminated loan-related funds) minus amounts owed to Servicer, including outstanding advances. Client must reimburse Servicer for Client-approved outstanding advances within seven days of Servicer's written demand at termination. Before transferring servicing to another party, Client must pay all due servicing fees plus transfer fee per Ancillary Fee Schedule, after which Servicer will send RESPA "goodbye" letters, Master Reports, and transfer impound amounts. Additional requests may incur reasonable charges. Transfer fee excludes paid-off or sold loans. For government-regulated loans, Client is responsible for confirming transferee meets regulatory requirements. Servicer may change compensation with 30 days' notice; Client may avoid changes by terminating within notice period without transfer fee. Service invoices are due upon receipt, payable within 20 days, with 18% past due charge, though parties agree to resolve disputes in good faith. Servicer may cease activities if Client's account becomes delinquent. Per State/Federal Law and Case Law and Servicer's interpretation thereof, Servicer reserves rights to determine advance/late charge assessment and adjust unpaid charges accordingly and interpret/apply other Note terms. Client's continued retention of Servicer constitutes agreement that Servicer may decline enforcing certain Note provisions, effectively waiving them, without Client recourse. Servicer may refuse service or cancel existing servicing with 30 days' notice if Mortgage Loan is or becomes predatory or non-compliant with federal/state requirements. Servicer may decline pursuing/continuing foreclosure if Servicer reasonably believes foreclosure or Client's terms would violate law or company policy.

ARTICLE IV – Prior Liens, Subordinate Interests, and Delinquent/Non-Performing Loans

1. Parties are responsible for prior liens. While Servicer will remit available payments to prior lienholders, Servicer assumes no responsibility for payment application, verification of receipt, or ensuring payments fully discharge obligations. Client must pay any shortfall to keep liens current when Servicer-received payments are

insufficient. Parties must forward lienholder correspondence to Servicer immediately. Client acknowledges listed property liens and authorizes Servicer's access to underlying loan information from prior lienholders. Client may, but is not required to, make such advances that are necessary and prudent to protect, and to collect, Client's interest in the Loans. Client shall immediately notify Servicer in writing or by email of any such advances made by Client. As a normal course of business, Servicer will not advance any funds on behalf of Client or any other person or entity unless mandated by law.

Servicer may discretionally waive late payment charges and extend payment due dates up to thirty days. If Client chooses and Servicer agrees to foreclosure, Client must retain and provide attorney contact information, with Servicer supervising proceedings. Servicer may provide attorney references without endorsement and Client should conduct due diligence. Foreclosed Property will be acquired in Client/designee name, with Servicer providing property management services. For significant environmental issues, Servicer shall notify Client, describe problems, recommend handling, and implement unless Client directs otherwise within five days of notice. When Client elects to proceed with foreclosure, Servicer need not pursue deficiency judgment unless Client requests in writing. Upon actual knowledge of Mortgagor's bankruptcy, assignment for creditors' benefit, or receiver/custodian appointment, Servicer shall retain attorney on Client's behalf to pursue loan payment claims and, if reasonable, foreclosure in bankruptcy court per Accepted Servicing Practices. Property acquired through insolvency proceedings shall be in Client/designee's name.

3. If requested by Client and per Accepted Servicing Practices, Servicer may provide REO Property management and disposition services, including: sale potential analysis, property management (maintenance /repairs), Impound Account administration, and property sales including REO auctions. Servicer may manage REO Properties as it manages its own foreclosed properties, with Client approval required for disposition terms. Servicer shall maintain fire/hazard insurance equal to maximum insurable improvement value, liability insurance, and required flood insurance where applicable.

ARTICLE V – Performing Loans

Upon boarding, Servicer will classify loans as "Performing" or "Non-Performing" at its sole discretion, notifying Client within five days. Classification criteria includes: payments within 60 days pre-boarding, default date/nature, payment history, impound balance, and non-payment defaults. Servicer must notify Client of re-classifications, with Client having five days to object; failure to object constitutes consent and waiver of future challenges to classification and related fees. Performing loans become subject to collections after 60 days without payment. If required information and fees are provided, Servicer shall: notify Client of known insurance ineffectiveness for non-Impound loans; inform Client of tax delinquencies for non-Impound loans if Tax Service is active and notices are set up (without responsibility for non-payment consequences); and attempt one contact with delinquent Mortgagor at known numbers (unless arrangements made).

ARTICLE VI – Impound Service

For first position Mortgage Loans, upon Client's written request and Servicer's acceptance, plus any required information, Servicer will provide insurance/tax monitoring service, which includes holding impound funds and disbursing scheduled payments. Post-loan repayment, remaining impound funds go to Mortgagor. Upon default/acceleration, Client may direct impound fund application after the successful foreclosure of the property and subject to applicable law. Client must pay any legally required impound interest to Mortgagor and immediately cover impound shortages. Servicer is not responsible for lien position issues from Client's failure to advance funds unless directly caused by Servicer's acts/omissions. For non-impound loans, Client must: verify and provide annual insurance coverage documentation to Servicer (Servicer not responsible for non-payment consequences); monitor annual tax payments or use Tax Service. If Tax Service is active with proper notifications, Servicer may notify Client of known tax delinquencies but is not responsible for non-payment consequences. 3. Servicer will interpret the Note's provisions based on the fair construction of the express language contained therein. Servicer's interpretation does not constitute a legal opinion on validity, enforceability, calculations, or collectability. These issues must be resolved between the lender/borrower, a court of law, or in accordance with any relevant dispute resolution process agreed to by the Parties.

4. The Parties authorize Servicer to reverse direct deposits and retain future payments to recover funds. Servicer shall allow Client, or any persons authorized in writing by Client, complete access to the records associated with each Loan in its possession at any time during reasonable business hours.

ARTICLE IX – Defense, Indemnification, and Litigation Fees

1. Servicer shall indemnify, defend and hold Client and its Representatives, Affiliates, successors and assigns harmless from any and all claims, demands, causes of action, losses, damage, fines, penalties, liabilities, costs and expenses, including reasonable attorney's fees and court costs, sustained or incurred by Client by reason of or arising directly from third party claims that were caused by or resulted from the Servicer or its sub-servicer's malfeasance, willful misconduct, negligence, breach of Servicer's representations and warranties in this Agreement, or a failure by Servicer to act in compliance with the terms of this Agreement, except where Servicer's actions or omissions

were pursuant to a directive of Client or were affected by a failure of Client or any prior servicer, sub-servicer, owner or originator of a Mortgage Loan to comply with Applicable Requirements. Servicer shall have no obligation to correct any errors or omissions of an originator or prior servicer of a Mortgage Loan unless specifically requested to do so in writing by Client, and then only if the Parties, negotiating in good faith, can agree in writing on a reasonable fee for such service. The foregoing indemnification shall survive the termination of this Agreement.

2. Client shall indemnify, defend and hold Servicer and its Representatives, Affiliates, successors and assigns harmless from any and all claims, demands, causes of action, losses, damage, fines, penalties, liabilities, costs and expenses, including reasonable attorney's fees and court costs, sustained or incurred by Servicer by reason of or arising directly from third party claims or actions that were caused by or resulted from (A) any actions or omissions in respect of any Mortgage Loan or property of any prior servicer, sub-servicer, owner or originator of a Mortgage Loan or property, (B) taking any action, or refraining from taking any action, with respect to any Mortgage Loan or property, that results from the malfeasance, willful misconduct or negligence of Client, Client's sub-servicers, contractors, or agents, or from the failure of the Client to provide Servicer the necessary Loan Documents in order to allow Servicer sufficient time to timely process satisfactions, payoffs and releases, (C) Servicer's reliance on the authority of Client to direct the activity of Servicer within the scope of this Agreement, (D) Client's failure to observe or perform any of Client's covenants, agreements, or representations contained in this Agreement, and/or (E) Client's failure to comply with its regulatory obligations following Client advising Servicer that such regulatory obligation is outside the scope of the Servicer's services. The foregoing indemnification shall survive the termination of this Agreement.

3. Each Party's obligation to indemnify the other hereunder with respect to any claim of a Mortgagor, Investor or other third party shall be conditioned upon the following: (i) the Party seeking indemnity (the "Indemnitee") shall give to the Party from whom indemnity is sought (the "Indemnitor") prompt written notice of any such claim and shall provide such detail as the Indemnitor may reasonably require; (ii) the Indemnitee shall reasonably cooperate in the defense of such action; (iii) the Indemnitor shall have full control and authority to retain counsel of its choice, defend and settle any such action or claim at its sole expense provided, however, that where the settlement is for more than monetary relief alone, the Indemnitor shall not have the right to bind Indemnitee to a settlement agreement, without the prior written consent of the Indemnitee, which consent shall not be unreasonably withheld, under which a) the Indemnitee will be required to make an admission of wrongdoing; or b) an admission of wrongdoing by Indemnitor on Indemnitee's behalf could be reasonably inferred or construed.

4. No provision of, or the exercise of any right(s) under this Article shall limit the right of any Party in appropriate circumstances to: (i) exercise self-help remedies such as set-off; (ii) foreclosure against any real or personal property collateral; (iii) obtain provisional or ancillary remedies such as injunctive relief or the appointment of a receiver from any court having jurisdiction before, during or after the pendency of any arbitration. The institution and maintenance of an action for provisional remedies or pursuit of provisional or ancillary remedies or the exercise of self-help remedies shall not constitute a waiver of the right of any Party to submit the controversy or claim to arbitration. Each Party hereby consents to the exclusive jurisdiction and venue of the state court and federal district court in the State of Texas for any provisional or ancillary relief sought pursuant to this Article and irrevocably waives all claims of immunity from jurisdiction and any right to object on the basis that any proceeding for such relief has been brought in an improper or inconvenient venue or forum. The Parties each hereby knowingly, voluntarily, and intentionally waive the right each may have to a trial by jury in respect of any litigation based hereon, or arising out of, under or in connection with this or any action of either Party. This provision is a material inducement for Parties entering into this Agreement.

5. Except as otherwise provided above in this Article, when Servicer must appear/testify for Client legal actions, Client shall reimburse Servicer's reasonable litigation costs (travel expenses) plus \$200 per business hour

per needed employee, unless appearance relates to Servicer's acts outside Client instructions or service scope. Servicer must provide detailed invoice; Client has five business days to pay before Article 2.3 interest/penalties apply.

Client represents and warrants that it, its agents, employees, and vendors hold required licenses and permits to receive Servicer-collected payments and proceeds collected by Servicer.

ARTICLE XI – Independent Contractor

At all times during the term of this Agreement, Servicer shall be an independent contractor and not an employee of Client. Client shall not have the right to control how Servicer accomplishes its services and duties pursuant to this Agreement. Servicer shall, at its sole cost and expense, furnish all facilities, materials and equipment that may be required for furnishing services pursuant to this Agreement. Except as otherwise provided herein or as Client may specify in writing, Servicer shall have no authority, express or implied, to act on behalf of Client in any capacity whatsoever as an agent. Except as otherwise provided herein or as Client may specify in writing, Servicer shall have no authority, express or implied, to bind Client to any obligation whatsoever. ARTICLE XII – Third-Party Providers

Client and Servicer must mutually agree on third-party service providers for: lien releases (if needed); REO and claims processing; invoice management; custodial services; attorneys; property preservation, management, and maintenance; imaging and web-based Client reporting and communications; and any other providers whose services are necessary to service the Mortgage Loans in accordance with Accepted Servicing Practices or otherwise perform such functions as are necessary to protect the Mortgage Loans and any underlying collateral. Third party service providers will be retained and paid by the Servicer, and all such payments are to be reimbursed by the Client.

ARTICLE XIII – Invoicing

Servicer shall invoice Client for completed services and expenses, except Boarding Fees (defined in Ancillary Fee Schedule). Payments are due within 20 calendar days of invoice delivery.
